

# Meeting Expert Committee Industrial and Environmental contaminants

24 april 2017

## Draft AGENDA

1. Discussion on the envisaged measures on the application of control and mitigation measures to reduce the presence of acrylamide in food
2. Discussion on the envisaged measures on glycidyl esters in food.
3. Exchange of views on possible changes to the special conditions imposed on the import of feed and food originating in or consigned from Japan following the accident at the Fukushima nuclear power station in the frame of the review of Commission Implementing Regulation (EU) 2016/6 of 5 January 2016.
4. (ev.) Feedback on the outcome of the 11th session of the Codex Committee on Contaminants in Food on issues falling within the remit of the Expert Committee.
5. Any other business.
