AGENDA

10:00-10:15 Opening by JRC & DG SANTE
10:15-11:45 Introductions to the topic & 10 min presentations from stakeholders
11:45-13:00 First reflections
13:00-14:00 Lunch break
14:00-16:30 Discussion towards further harmonization of the analytical methods
16:30-17:30 Conclusions and closing

The outcome of the meeting shall ensure a further harmonisation of the procedure for the determination of MOAH in infant formula (identification and quantification of MOAH in such samples, including sample preparation, all other analytical steps and signal/data treatment, which should result in obtaining comparable results.

The outcome of the meeting can then also furthermore form the basis of the elaboration of a standard operating procedure (potentially even a standard) fit for regulatory purposes.
