#### IMPORTANT FOR REMOTE CONNECTIONS!

Simultaneous interpretation will be provided in DE-EN-FR-ES-IT. Therefore, for remote connections, **please ensure a high-quality microphone** when you make an intervention with an **active video link** of reasonable quality. Built-in laptop microphones and most headset microphones are of insufficient sound quality. **Please also ensure quiet surroundings. The Commission services may not give you the floor if your sound quality is inadequate and your video link does not work.**

**PLEASE NOTE** that physical participation of delegates significantly increases the quality of exchanges during the working group, where possible delegates should participate in the room.
